## WORK EXPERIENCE

I have been working as a waiter and bartender during my studies.

After my MSc, I started a PhD program in Advanced and Humanoid Robotics. This experience made me more analytical, organised and able to fulfil deadlines. It allowed me to travel all around the world and improve my English.

During the PhD, I worked as a didactic tutor in GoStudent and the University of Genova.

## EDUCATION

- BACHELOR'S DEGREE IN MECHANICAL ENGINEERING

University of Genoa | 2016 - 2020  
103/110

- MASTER'S DEGREE IN MECHANICAL ENGINEERING

University of Genoa | 2020 - 2021  
110/110 cum laude
